(3) for the Examiner's convenience, a copy of the Petition for extension of time under 37 C.F.R. § 1.136(a) (signed) – as filed on July 26, 2004.

A copy of the Communication is also included.

The fees associated with filings (2) and (3) above have been submitted with the July 26th, 2004 filing and have been accepted by the USPTO.

It is submitted that this addresses the issues raised by the Examiner in his Communication. Admission and consideration of the Amendment is respectfully requested.

In the event that the Examiner has any additional questions or comments related to this response, it is requested that he contact the undersigned at the telephone number given below. Additionally, should there be required the payment of any additional fees, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-1-17 (Billing No. 210774.0040). including any extension fees required under 37 C.F.R. 1.136(a).
